

OUR VISION

Ciencia life science is an integrated Life sciences research company offering various research training services and innovative solutions to the life sciences community. We observed the need for an integrated service provider for the fast growing life sciences and biotech companies and academics. Our motto is to provide good training in research by qualified professionals, integrated consulting and outsourcing of research.

ENROLLE NOW

Candidates have to pay 20% of the fee in the below mentioned account to complete registration process for selected services.

After completing the fee payment, email it to ciencialifesciences@gmail.com

Make all NEFT Transfers/Cheques/DD payable to Ciencialifesciences, Hyderabad.

Account Number: 180505500569;

Account Name : Ciencialifesciences;

Branch : Nizampet;

Bank Name: ICICI Bank

RTGS/NEFT IFSC Code : ICIC0001805.

CIENCIA LIFESCIENCES

Projects

Ciencia offering Projects for all Life sciences Professionals with various durations like 1, 2, 3, 4, and 12 months. We design projects according to student parent institute guidelines.

Training

Professional training in lifesciences (Molecular Biology, Bioinformatics, Biotechnology, Biochemistry, Botany etc.) is brought to you by Ciencia life sciences. All the training courses are designed for transform you into a good researcher for the future. By the end of the course, you will be armed with all the necessary knowledge to successfully implement the concepts and work in your field.

Research Services

Ciencia supports Researches by Intelligently analyzing data from their projects, support for writing Projects to submit any funding agencies and publications. We will provide regular progress reports and after the analysis we will provide you with all output files that we have generated.

RESEARCH SERVICES WE PROVIDING

SDS PAGE
PCR
Antibiotic sensitive test
Antibacterial activity of the- - Compounds
Plant extractions
Comet assay
Development of Probiotics
Development of BioInoculum.
Research Methodology Designing
SOP development
Data analysis with R software
All the MicroBiology works
All the Bioinformatics works
Scientific writings.
PhD Complete assistance.

Training: Professional training in life sciences is brought to you by Ciencia life sciences. All the training courses are teach by PhD awardees. If required customize trainings also available. We also offer Training along with Project .

Certification: The candidates will be awarded with specified certificate after successful completion of the course.

Trainings area:
Biotechnology
Microbiology
Molecular Biology
Cancer Biology
Biomarkers
Biochemistry
Comet assay
SDS PAGE
PCR
Genetics
Probiotics
Pharmacogenomics
Docking
Virtual screening
Bioinformatics
Cheminformatics
R programming
Agro informatics
Immuno informatics

Duration of the Training: 7, 10, 15, 20, 30, 45, 60, 120, 180 days

PROJECTS

We Provide hands on experience and training sessions for project methodologies which required under project. Complete assistance for data analysis if required projects and project report making.

Eligibility: All life science students. B.Sc, B.pharm, B.Tech, M.sc, M.Pharma, M. Tech, Ph.D

Project research areas:
Biotechnology ; Microbiology ;
Molecular Biology ; Cancer Biology;
Food Microbiology ; Biomarkers;
Agricultural Microbiology ; Genetics;
Agricultural Biotechnology; Botany ;
Biochemistry ; Food & Nutrition;
Pharmacology ; Pharmacogenomics;
Probiotics ; Docking; Virtual screening ;
Bioinformatics ; Cheminformatics;
Big Data; R programming ;
Nutrigenomics; Agro informatics ;
Immunoinformatics;

Duration of the projects: 15 days,
1,2,3,4,6 & 12 months
For one year projects we are giving
free publication support and job
assistance.
